## GARBAGE/BULK COLLECTION

The City of Ingleside contracts with Allied Waste Services to provide curbside residential garbage collection twice a week. Residents living North of Fourth Street are serviced on Mondays and Thursdays. Residents living South of Fourth Street are serviced on Tuesdays and Fridays. Please make sure all trash is bagged and placed inside your trash can, which was provided to you, and set it out by 7 a.m. on your scheduled pick-up day. The City or Allied Waste Services is not responsible for cleaning up garbage on the street due to trash not being bagged. Please place your trash can so that the lid opening is facing the street. **After being serviced, pull your trash can back in your yard. Trash cans left by the road create a hazard to traffic & pedestrians.**

Allied Waste Services also collects bulky items next to the road every Friday. Place your items so that they are not under any low lying tree limbs or electrical lines. Bulky items consist of stoves, water tanks, washing machines, furniture and other large items too large or too heavy to fit in the trash can. **Christmas trees will be collected on bulk day.** Construction debris, boxes, and bagged items of any kind are not considered bulky items. Please call City Hall to inform us that you will have bulky items out for pick up.

Hazardous waste and materials such as tires, batteries, paint cans, and any items containing Freon will not be picked up by Allied Waste Services at any time. If these items are found in your trash can, you will not be serviced until those items are removed and you would then have to wait until your next service day for your trash can to be emptied.

If your trash can is broken or missing, please notify the Utility Department at (361) 776-2517. Please allow 7-10 business days for your trash can to be replaced.

Please call the Utility Department for more information or questions regarding your garbage services.
